One guarantee:

- There will be a question that will ask you to provide details on one battle of your choice
- This can be the battle that you do extra research on, or a different one
- I will ask for things like location, when it occurred, what happened and what were the results

Format:

- Some objective details (e.g. – Union General McClellan had Confederate General Lee's plans before the battle of _____.)
- Some short answer (e.g. – Explain what a siege is.)
- You will have a choice between 2-3 long answers, one of which will be about a battle (see above)
